

Rudemà - stage plan

Luca Ventimiglia

whistles, bagpipes,
chalumeaux, shawm, foot
cimbals

Fabio Reolon

lead voice, acoustic guitars,
stomp box

Francesco Chiarini

violin, nyckelharpa

Minimum requirements:

5m x 2m stage, 3 chairs without armrests, 8 or 9 mixer inputs, phantom function on the mixer, at least 2 monitor, 3 mic stand needed. Our condenser mic can be replaced by service's microphones if needed for a specific acoustic situation.

Luca Ventimiglia - 2 mixer inputs

- several wind instruments (whistles, musette, bombardarda, chalumeaux, ecc...) with 2 personal condenser mics: 2 XLR + 2 mic stand needed

Francesco Chiarini - 3 mixer inputs

- violin with personal condenser mic and piezo mic for the monitors: 2 XLR + D.I. + 1 jack cable needed
- nyckelharpa with personal condenser mic: 1 XLR needed

Fabio Reolon - 3 or 4 mixer inputs

- voice with personal directional mic: 1 XLR + 1 mic stand needed
- stomp box: 1 jack cable + 1 XLR
- acoustic guitars: 1 jack cable with the D.I. + 1 XLR needed

depending on the acoustic situation: additional directional mic for the guitar + 1 mic stand needed + 1 mixer input
